Dear Community Supporter:

Hawkeye Bowmen Archery Club is a community-minded organization with a commitment to promoting awareness of the sport of archery as well as a love of the outdoors. As such, we are pleased to be hosting an archery shoot fundraiser on Saturday, May 17, 2025 to benefit the good work of Pink Ribbon Good (PRG) Buffalo Region!

PRG is a “boots on the ground” 501(c)(3) organization that provides essential services and support to individuals within a 40-mile radius of downtown Buffalo, NY battling breast and gynecological cancers, regardless of age, cancer stage, or socioeconomic status. They hold true to their motto – *“No one travels this road alone”* – by providing:

- ❖ Doorstep delivery of healthy meals
- ❖ Timely rides to and from treatment
- ❖ All-natural cleaning products and a lightweight vacuum
- ❖ Peer support to combat the isolation of a cancer diagnosis

PRG provides these essentials to clients so that they may focus on fighting and healing instead of worrying about the day-to-day challenge of getting to a crucial appointment on time or dinner on the table.

“As a mom, the meals were so helpful for me. It was one thing I didn’t have to worry about. I could focus on my recovery. I could focus on spending time with my kids.” – Katie

We hope that you will join us in supporting the important work of Pink Ribbon Good Buffalo Region by considering donating to our fundraiser!

There are several ways you may contribute to this fundraiser.

- Donate with a check made payable to Hawkeye Bowmen Archery Club, % Glen Eisenhut, 5547 Berg Road, Buffalo, NY 14218. Please note “PRG Donation” on the memo line.
- Donate a gift certificate or product/item(s) for the basket raffle. If you are located within a 25-mile radius of Alden, NY, contact the number below and we’ll pick it up from you! For those outside of that area, please mail to Carol Billi, 80 Jasmine Ave., West Seneca, NY 14224-2726.

Donations of, or valued at, \$75 or more (i.e. check, gift certificate, product/item) that are received by Saturday, May 3, 2025, will be acknowledged with a sign with the company name and logo at one of the targets on the archery course.

Please direct questions to Deb Frederiksen at (716) 832-0225 or defrederiksen85@gmail.com.

A little bit about the host . . .

Hawkeye Bowmen Archery Club was incorporated in 1957 but had already been formed in a private home well before our current property was acquired.

The Club currently has ~120 members ranging from senior, regular, probationary (new), associate, out of town, and honorary members. Each member brings their own passion for archery whether it be traditional, primitive, recurve, compound or crossbow archery.

We have 35 beautiful acres of land with different levels of terrain which makes our archery shoots so enjoyable for members and guests. We are the only club that has a night course to shoot under the lights.

Hawkeye is a community-minded club with a commitment to promoting awareness of the sport of archery as well as a love of the outdoors. Some of the ways in which we do this is through our various programs and volunteer efforts.

- Youth archery clinic
- Women's archery clinic
- Girl and Boy Scout programs
- Volunteer in Pheasants Forever Youth Program
- Volunteer at National Hunting and Fishing Day
- Support / promote Region 9 Youth Archery & Sportsmen's Camp

In addition, we are proud members and sponsors of:

- New York Bowhunters
- New York State Conservation Council
- Erie County Federation of Sportsmen's Clubs
- Department of Environmental Conservation

We look forward to hosting this archery shoot fundraiser benefiting
Pink Ribbon Good Buffalo!
